Campbell County Court House

First court held December 26, 1842; building built by Rev. James Jolly with brick from the Spillman Kiln located on Jefferson Street; the present Court House is built around this structure.

In this Bicentennial year, families, institutions, cities — the whole country — has looked into their pasts for interesting and significant people, places, and events. Though Campbell County High School draws students from many communities, it has, because of its location, been closely with the town of Alexandria more so than the others. On the next few pages are some

photographic memories that alumni of the old Alexandria Public School would surely recognize and others that later generations will find familiar. Of course we have not shown even the smallest part of what was possible, but it might be interesting for CCHS students — past and present — to visit some of these sites and see how things are now — the changed and the unchanged.

Alexandria Public School  
Built Before 20th Century

This house, built by Benjamin Beal, still stands on East Main Street. Community leaders met here in 1834 to discuss legislation to incorporate the town and to name it Alexandria.

Daniel Thatcher built this tavern in the early 1800's. It was used as lodging for travelers from central and eastern counties of Kentucky going to Cincinnati.

Built by Dr. John Orr in 1840, and later owned by Edgar A. Thatcher in the 1890's, this structure was used as the telephone exchange from 1917 to 1950. It occupied the lot on the corner of Jefferson and Main Streets.

The Matt Schmidt home on Washington Street stood behind the town blacksmith shop.

On the corner of Main and Washington Streets stood the original Griffey Hotel.

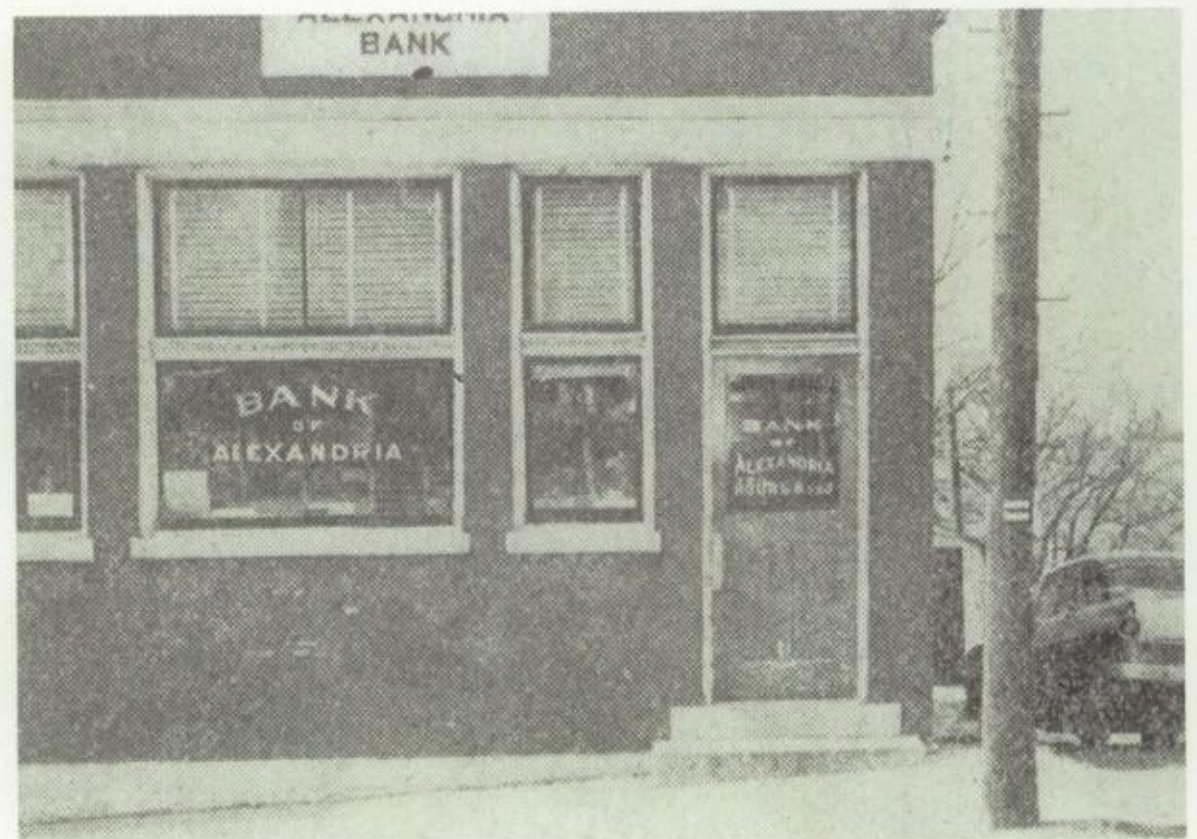

This familiar building on Main Street now houses a floor covering store and apartments. In 1905 one could find a general merchandise store, an undertakers, Delaval cream separators, Brown's shoes, groceries, and the omnibus office within its walls.

Washington Street before it became the site of homes and businesses.

The Bank of Alexandria's original home was built in 1902 and was located on Main Street across from the Court House. It now does business on the corner of Main Street and US 27. This building still stands.

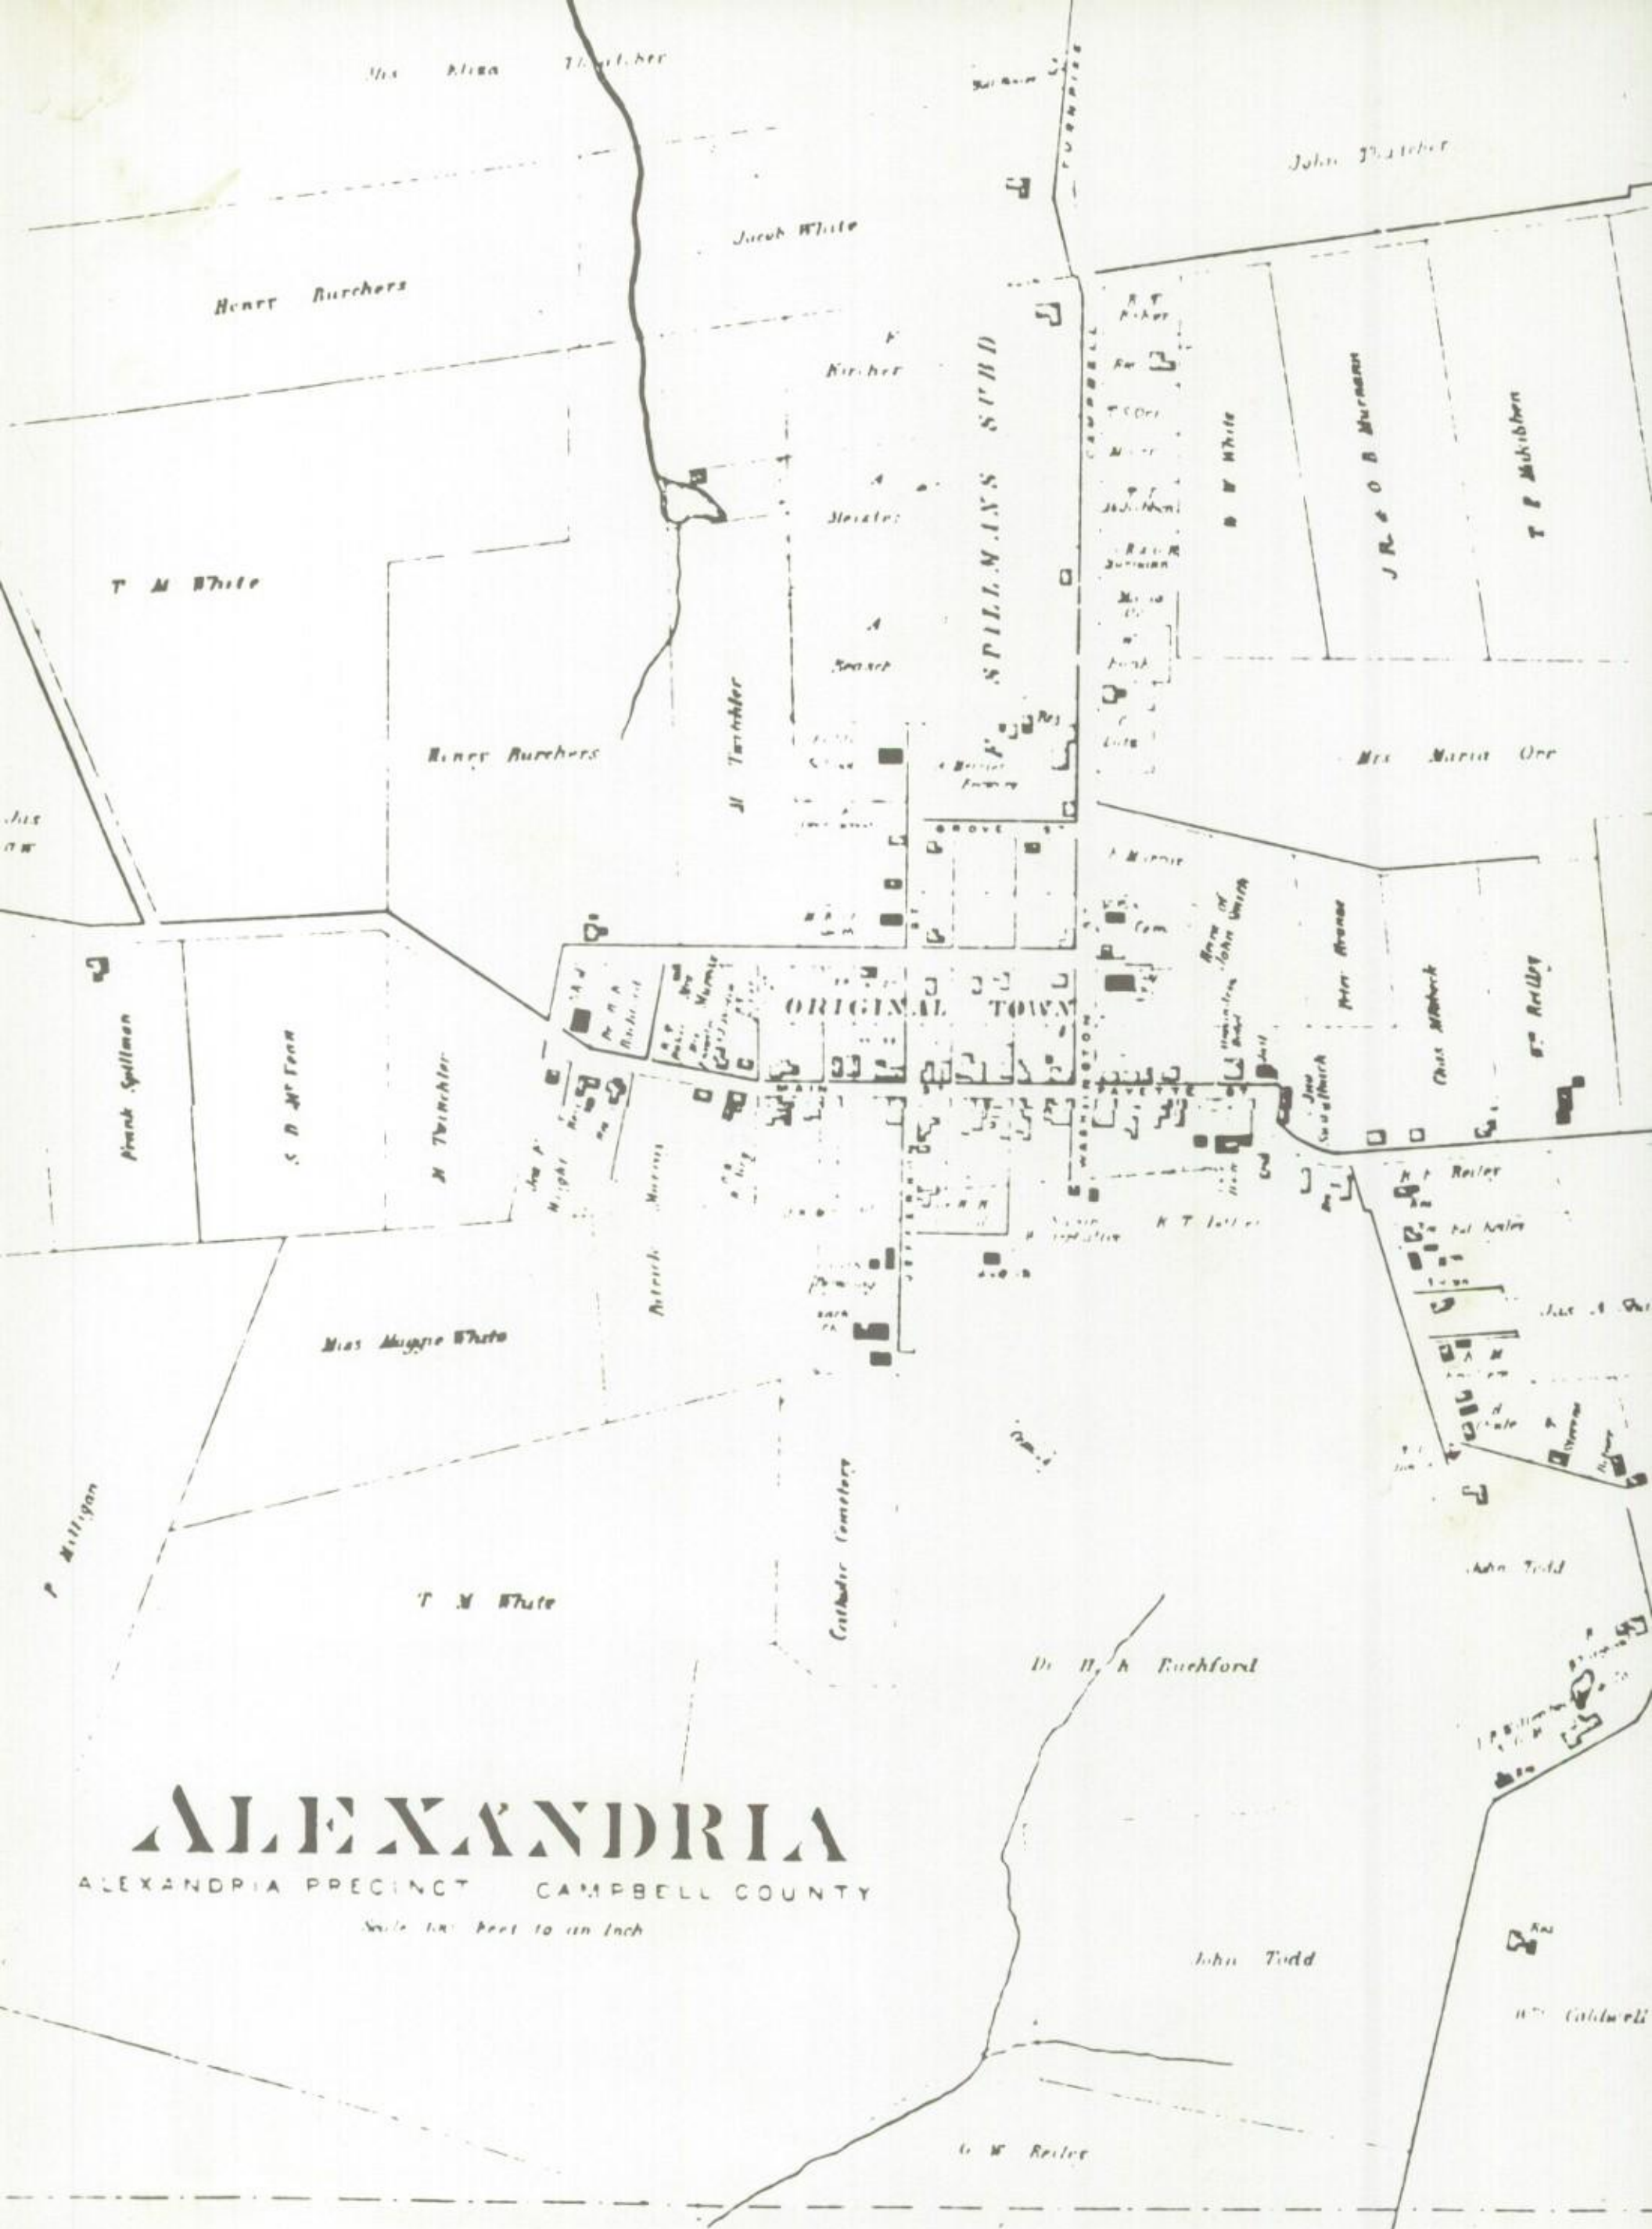

These buildings were located between the Court House and Dr. Howe's home on East Main Street and housed a realtor, dry cleaner, lawyer, and the original town post office, formerly a funeral home. A modern real estate office and insurance agency took their places.

The Youtsey General Store of the 1930's — inside and out — differs from the streamlined supermarket and discount store of today. Kentucky Motors occupies the building now.

# Afternoon With Cartoons

The theme of the 1975 Homecoming Parade was "Cartoon Characters." The parade was led by the Administration and followed by scores of floats, bands, and our homecoming candidates. Nineteen candidates in all participated and each was well supported by her club or organization. G.A.A. won 1st place in the float contest and Drama Club and F.B.L.A. tied for 2nd.

As the day rolled on, the candidates met to prepare for the halftime ceremonies. Feelings of excitement and anticipation filled each girl as the time of the crowning drew near.

# Northern Kentucky Marching Band Festival

Campbell County High School played host again this year to the Northern Kentucky Marching Band Festival. Twenty-five bands from three states competed for top honors including the 1st annual Governors Cup Award. The day offered beautiful weather, fun, excitement, and exhaustion. The day was ended with a performance by the "Band of Pride" and the presentation of awards.

The Charlestown, Indiana "Band of Pirates" literally stole the show. They received Superior Rating, Outstanding Color Guard, 1st place class AAA, Grand Champion, and the Governors Cup. Charlestown's Field Commander, Susan Long, received the Outstanding Drum Major Award. Superintendent Charles McCormick was on hand to present the Governor's Cup.

## Reds Win Series, Band Helps Celebrate

The "Band of Pride" was privileged to participate in the World Series victory parade for the Cincinnati Reds. The band helped to entertain thousands of people along the parade route from Riverfront Stadium to Fountain Square. The band was one of two bands selected for this honor.

### "Fountain Of Fashion"

HAROLDE'S and FBLA gave us a preview of the year's clothing styles at a fashion show in October. Commentators Teri Hill and Lisa Nichols are CCHS students who work at HAROLDE'S. FBLA members modeled the clothes.

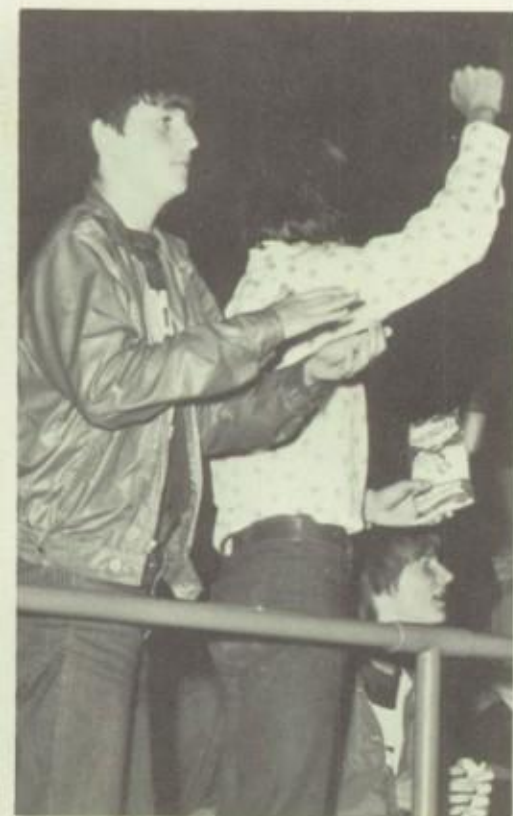

## Highlands Rally And Game

The Highlands pep rally generated sparks of excitement and thrill as well as preparing for the game ahead. To highlight the festivities, Robin Hahn was crowned "Mr. Cool."

# "A Christmas Concert"

The annual Christmas Concert was presented on December 14. As an opener for this program, the Mixed Chorus did their rendition of Huff & Gaither's "Festival of Christmas Hymns." This proved to be a worthy theme for the entire concert, with the Purple Band, under the direction of Mr. Michael Fisk, following with the traditional sound of "White Christmas" and "Edelweiss." To complete their part of the program the Purple Band did the soulful sound of "Soul Explosion." The last to perform was the Gold Band, with Mr. Barry Smith conducting. The band's first selection, "A Christmas Concert" has become an annual tradition. Along with their contribution of "Christmas" to the program, the band played the popular hit "Popcorn."

The Chorus performed a well received Christmas Cantata at several neighborhood churches during the following week.

# Christmas Festivities

To add to the Christmas Festivities, Mr. Lambdin presented Mr. Ravenscraft, Mr. Iles, and Mr. Loy with their Christmas presents from the faculty.

## FHA Christmas Party

FHA's Christmas Party was a big success. Children from the elementary school joined in the fun.

# FBLA Career Day

"Even shorthand doesn't seem so bad anymore!" That was how FBLA members felt after a day on their feet as waitresses, dishwashers, carhops, and hostesses when the club took over Ft. Thomas Frisch's for a Career Day.

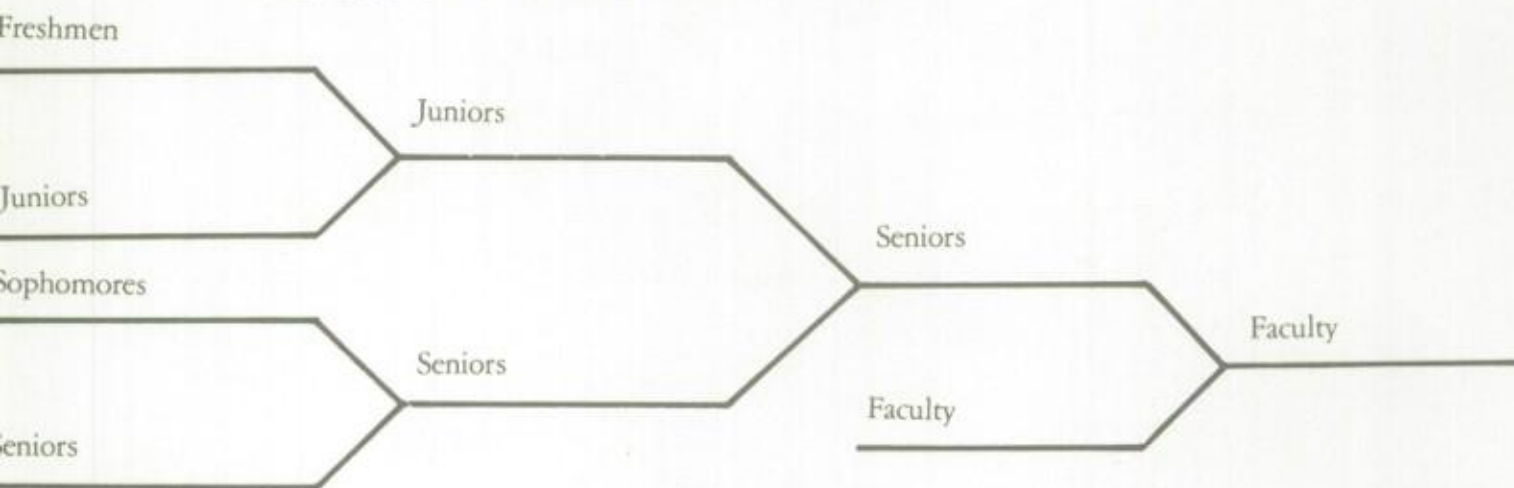

## "Susan Slept Here"

The Drama Department presented the play SUSAN SLEPT HERE. The play introduced new talent and was enjoyable to all who viewed it.

## Music

The Music department is composed of the two main divisions, vocal and instrumental.

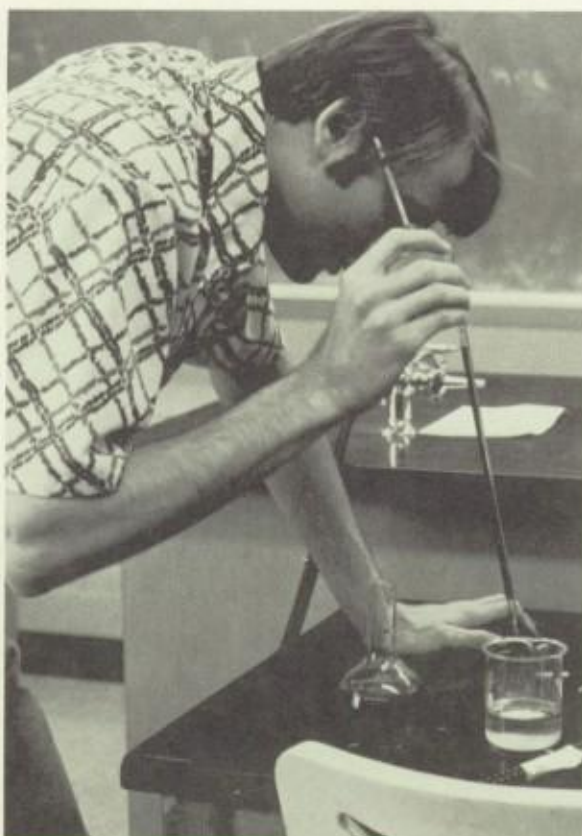

The chorus had several concerts and attended the Northern Kentucky Music Educators Festival, under the direction of Mrs. Mary Barker. The chorus also has an annual banquet at Beverly Hills.

The instrumental section of the department is divided into the purple band, gold band, and white band. The purple band is made of all freshmen, this band marched at two football games and attended Eastern Kentucky University's Band Day. The gold band is 140 strong, including 20 flags, 8 rifles, 13 percussion, 2 field commanders, and 112 horns. This marching unit attends home and away football games in addition to marching competitions in Kentucky, Tennessee, and Indiana. The "Band of Pride" is known not only for its marching ability, but for the second consecutive year the band has been the only symphonic band to score three superiors as rated at the State Concert Contest. White band is comprised of those students who function as a class and a nonperforming unit.

# Science

The Science department offers such classes as general science, physical science, life science, biology, chemistry, physics, ecology, and microbiology. The 1975-1976 school year brought microbiology into the curriculum primarily as a senior course. Microbiology deals with the isolation of bacteria in cultures, test tubes, and petri dishes.

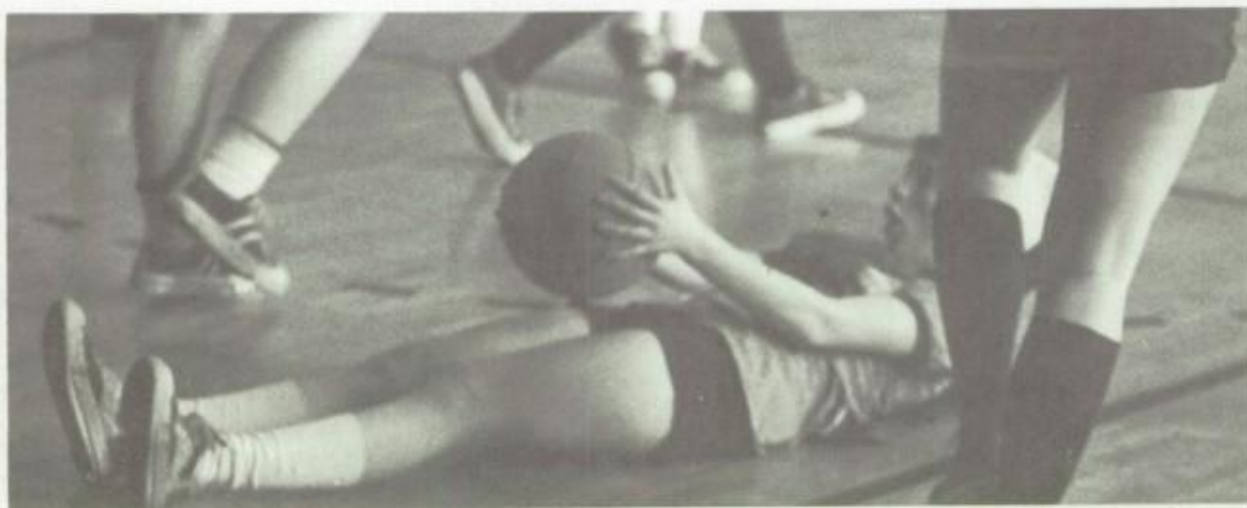

The Class of '76 did not leave Campbell County High alone, Mrs. Hallie Gosney retired after many years of service. Mrs. Gosney began her teaching career in the Home Economics department of our system. For the past three years, Mrs. Gosney has been teaching Physical Science on the freshman level. Happy retirement, Mrs. Gosney!

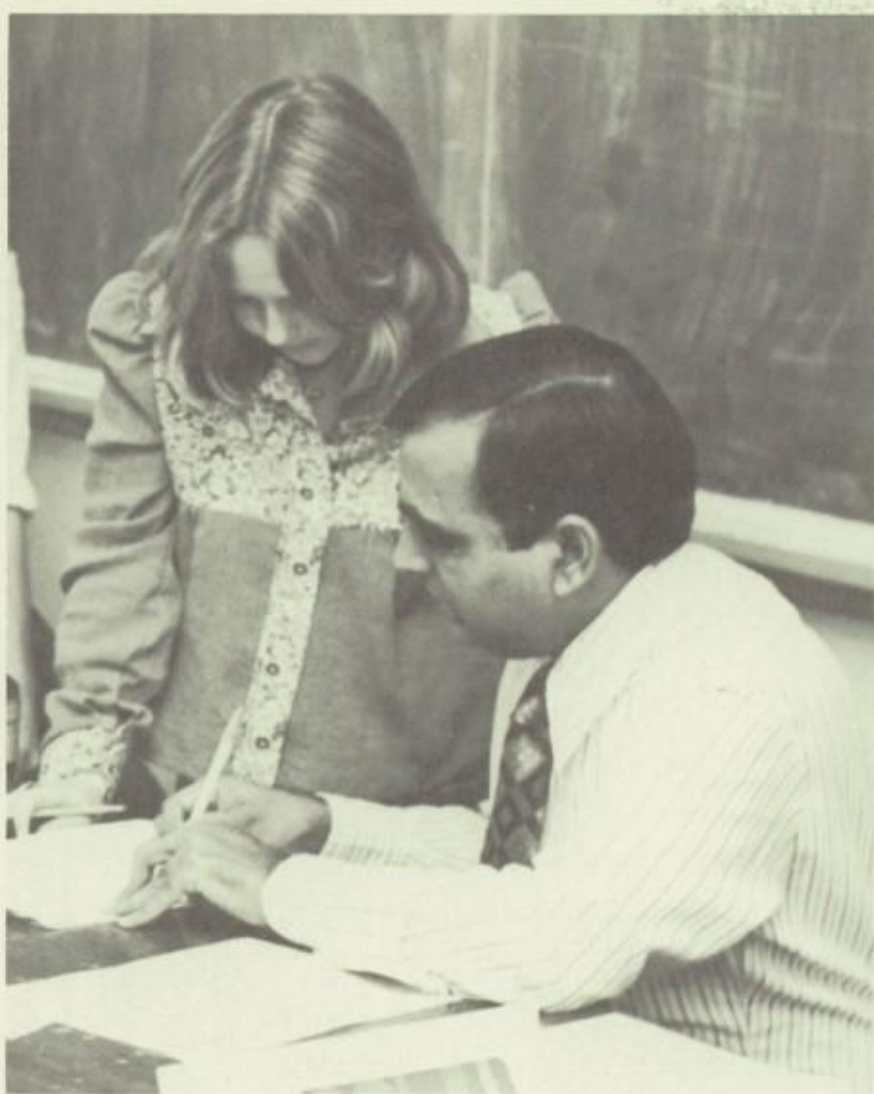

# Physical Education

Physical Education stresses the importance of having a strong and healthy body. Along with the sports such as basketball, tennis, baseball, and football that are taught, comes the awareness of the body's structure and development. In the P.E. classes taught at Campbell County, team-work and attitude are emphasized not only for the pleasure involved but for growing in competitive relationships.

## Mathematics

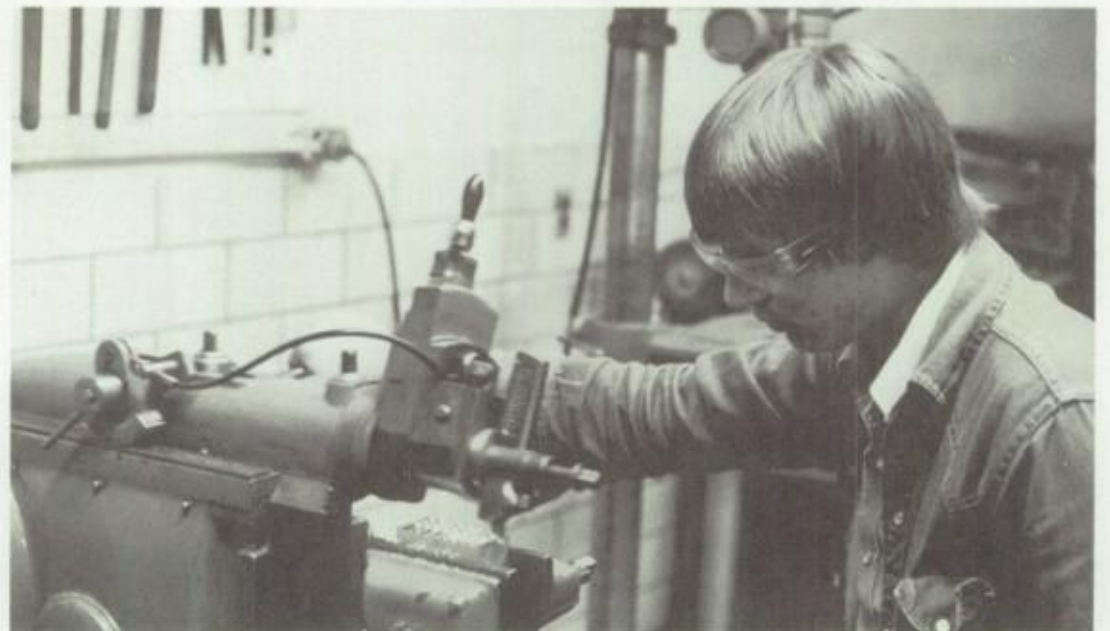

The Mathematics department is working under a new program called General Mathematics. This program was set up so that the student could work at his own pace and take the examinations when he feels that he is capable.

The Math department also taught one class of Calculus for those students who are college bound. An advanced placement examination offers students the opportunity to earn college credit before ever entering.

# Industrial Arts

Industrial Arts is a class offered for students wanting job preparation and training. The training which is available is in such areas as metal crafts, woodworking, printing, wood carving, mechanical drawing, and many other mechanical skills.

The vocational school also offers many classes in industrial arts which are designed for students not wishing to attend college.

In this 1975-1976 school year, many of the industrial arts classes were enjoyed by females as well as males!

## English

The English department is working under a fairly new system called Phase Elective English. With this new idea, the student can place himself in an English class which is ranked anywhere from I to V. There are classes that range anywhere from Contemporary Song to Bible Literature.

One additional facet in the English department is Advanced Placement English I, II, III, and IV. These classes are designed for the top-ranking students who are college bound. Freshman and Senior Advanced Placement have been in the system for two years, but in the 1975-1976 school year the sophomore and junior classes were added to complete the program.

# Home Economics

A few of the areas studied by the Home Economics department were Foods and Nutrition, Clothing and Textiles, Child Growth and Development, Housing, Management-Consumer Education, and Personal Family Relationships.

Speakers from insurance agencies, banking, grooming and hair styling, lawyer's offices, and family planning helped to add to the classroom discussions. A panel discussion group in relationships which included a minister, parents, divorced persons, and college students helped present some of today's problems for discussion and "Food for Thought."

## Communications Media

Communications Media is a class designed to help the students better understand the media of radio and television through on-hand experience with the communications equipment.

The first part of the school year is spent on learning basic operations of television equipment; such as television cameras and video tape recorders. The last part of the year is spent in the radio studio producing shows which are broadcast throughout the school.

# Foreign Languages

The three foreign languages taught at present are Latin, French, and Spanish.

French and Spanish offer a chance to communicate in a language other than one's own, and to become acquainted with the culture and customs of the other countries. Their programs are geared to acquiring the ability to speak and write the language and the club activities center around this too.

For Mrs. Alice Batterson, the 1975-1976 school year brought to a close her twenty years of teaching in the Campbell County School System. Everyone will remember Mrs. "B." as the greatest Latin teacher ever! This is the way one person described Mrs. Batterson . . .

Friends, Faculty, Administrators,  
lend me your ear  
I come to praise a lady,  
with us all these many years  
A friend, faithful, and just to us  
Please allow us this heartfelt fuss  
Master of Latin, both prose and rhyme  
She is truly a legend in her own time.

Yea loved by Vesta, Mercury and Jason,  
but just as much by Goodlett, Owen, and Mason.  
Queen of Rome, and Queen of the Lounge  
For ancient stories she never need scrounge  
Her students love her, they worship, adore  
While she speaks and expresses Mythological amore  
And while she talks of that cupid and his dart  
She, herself, is a friend who listens with her heart.

With her gone will the school system totter,  
Without word from Juno, Pluto, and Goldwater?  
I think not, for she will remain in spirit,  
And walk-outs, assemblies, skippers, never fear it  
For when morningtime came and that bell did ring,  
She was there, Why? It's the principal of the thing.

We'll miss you, that is simple of corth  
as next year we pass room 103 North  
But thank God, Mrs. Batterson, retire in Leisure  
For surely as sin, a Republican was Caesar.

## Art

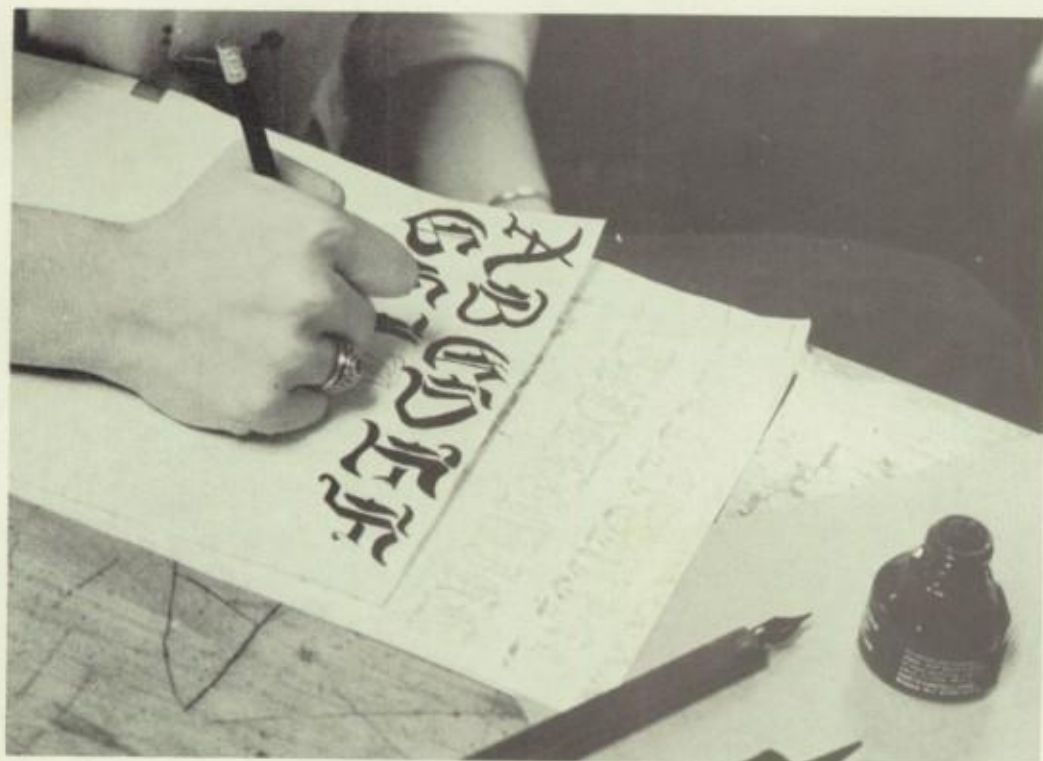

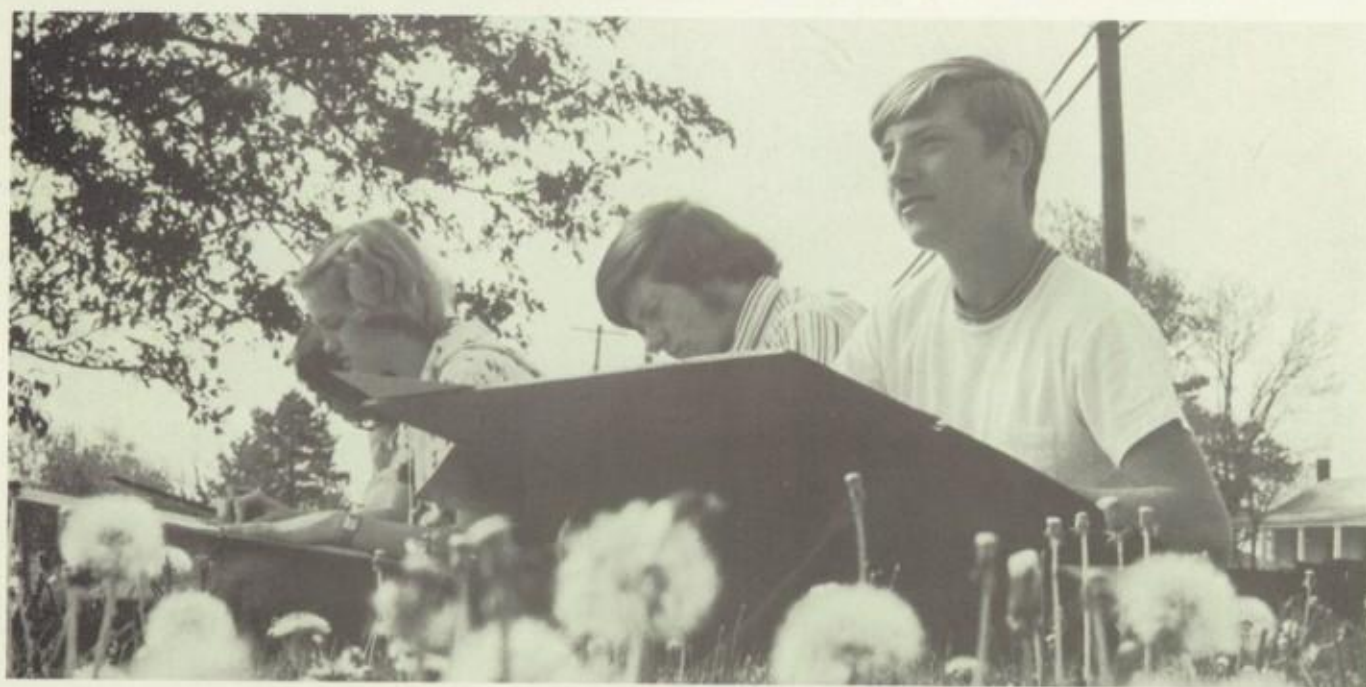

In the 1975-1976 year, the Art department offered Art I, II, III, and IV. There is a certain amount of art history taught in every class, but the history is only a small portion of the happenings in the year.

Art I is centered basically on drawing and work with two dimension art.

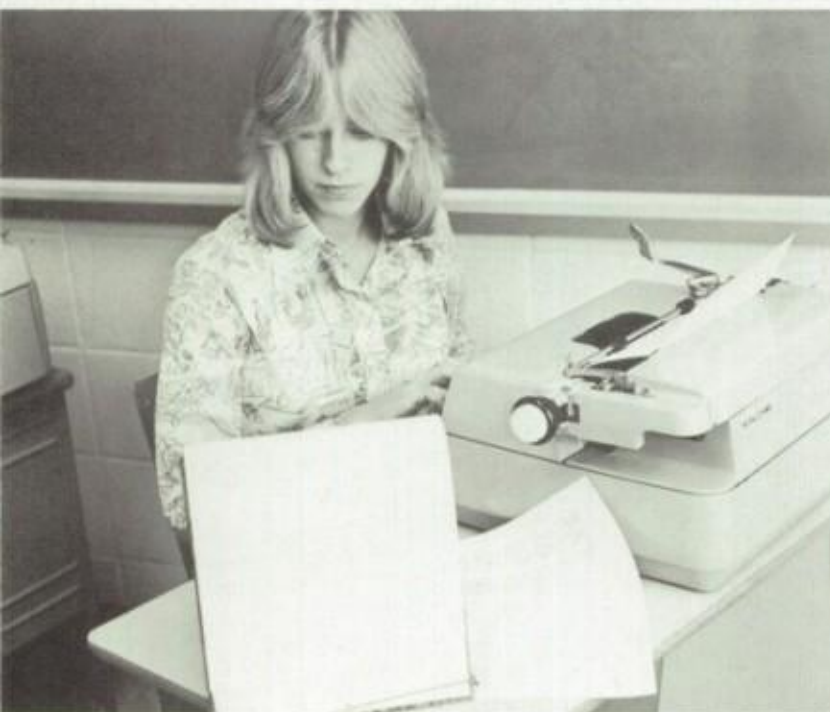

Art II is the stage in which ceramics are introduced. There is a great deal of work put in on a ceramic model — mixing, molding, firing, and glazing.

Art III and IV are primarily for the more advanced students who are considering art as a profession.

# Business Education

Business Education moved forward in the "Spirit of '76" as it pioneered a program in office practice. As one of the top business education programs in Kentucky, the department tested materials prepared by the state department of education.

Students from the department placed high in regional and state competition. John Kremer was 1st in the region and 3rd in the state in accounting. Linda Martin was 3rd in the region and 2nd in the state in senior stenographer. Jane Reinert finished 1st in the region in spelling with Diane Schalk 9th in the region in the same category. Bev Schultz took 2nd in the region in data processing.

The Business department grew in size as Mrs. Eshman was added to the department as the business mathematics teacher.

Students from the department assist in the offices by being assistant secretaries, clerks, and assistant accountants.

The pioneering spirit of the business department has brought much recognition to the school. Mr. Reh fuss was named as the Business Educator of the year by the Administrative Management Society of Cincinnati . . . CONGRATULATIONS!

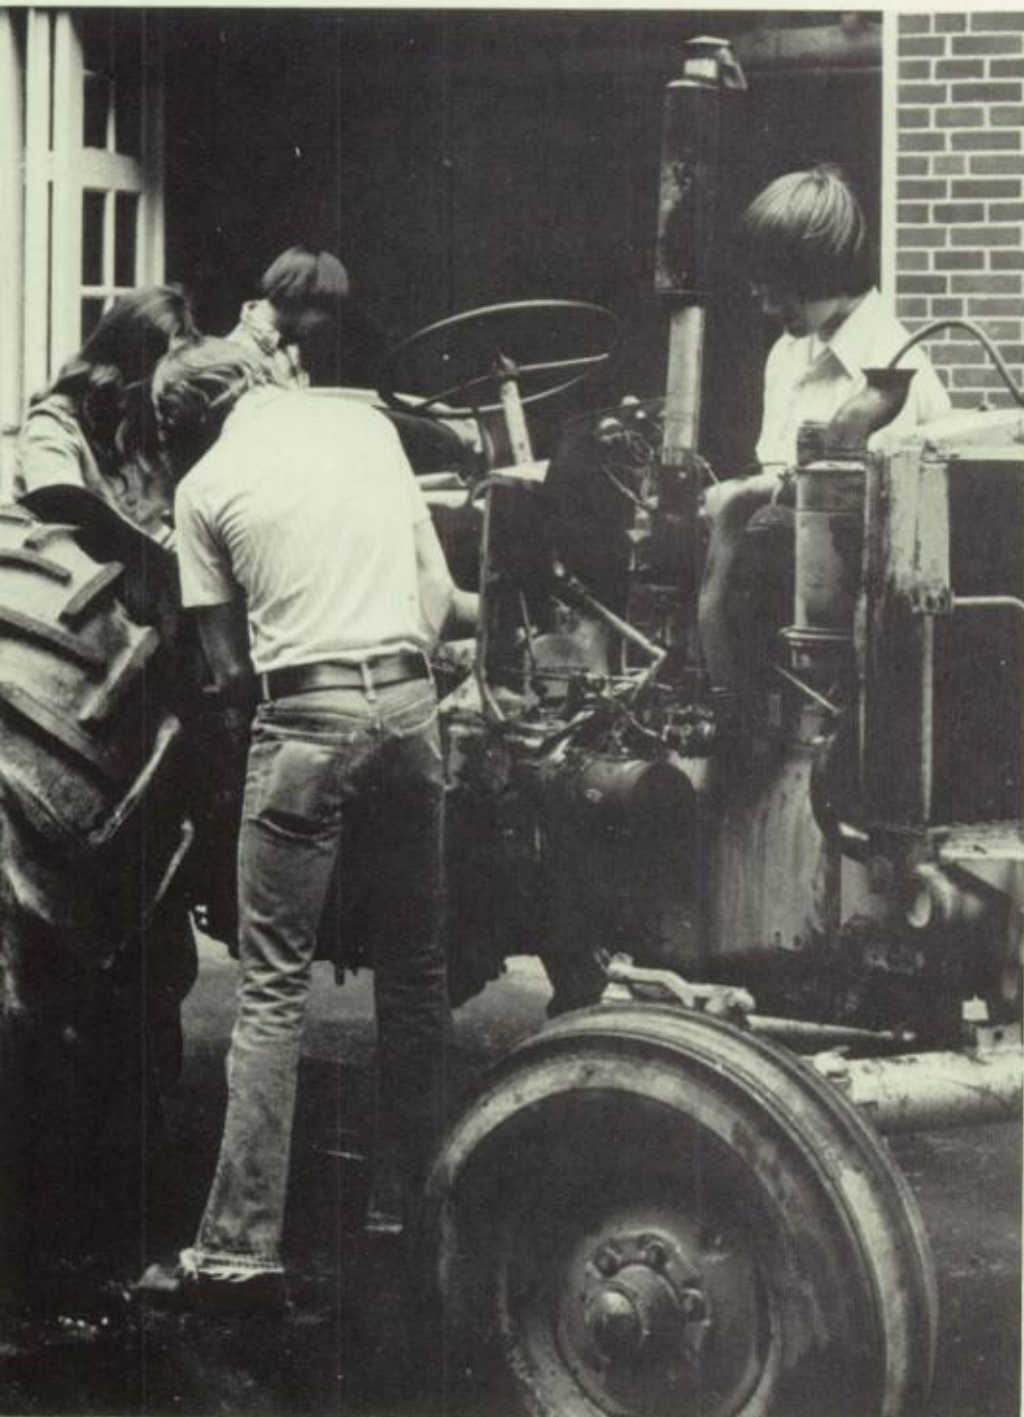

The library is the center of all the activity at C.C.H.S. Students use the library much for their class information and data.

## *Library*

## *Agriculture*

In the Agriculture program, there are three basic classes taught: Agribusiness I and II and Agricultural Production.

## *Social Studies*

The Social Studies department involves its students mainly through guest speakers, experiments, and projects. Current events consume much of the class time through discussions and demonstrations.

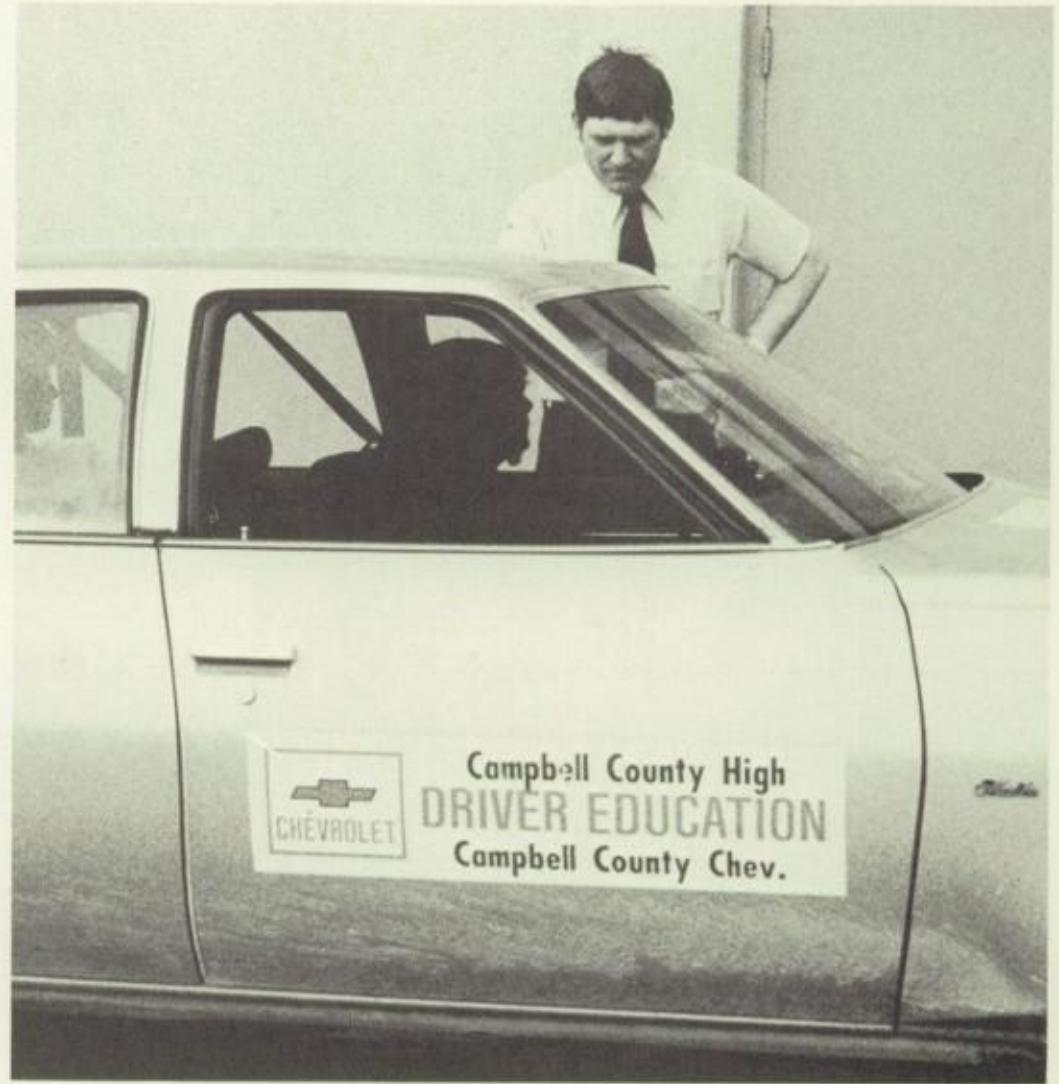

Some of the projects that are hand-made include cannons, wagons, forts, plaques, and many other models of great historic interest.

The 1976 bicentennial year also adds greatly to the sites and figures of our nation's history.

## *Drivers Education*

Drivers Education is a semester class designed to instruct the students on safety precautions of today's highways. This class is taught with the use of a Drivers Education car as well as with the regular class room instruction. These drivers training classes are kept very small so that every student has an equal opportunity for the proper help.

## "Band Of Pride"

Field Commanders: Holly Sederburg and Mike Turner.

The band, under the direction of Barry Smith and Assistant Director Mike Fisk, began their season long before school began. A week long "band-camp," and several hours of both playing and marching rehearsals went into the 75-76 marching show. The band was led on the field by field commanders Mike Turner and Holly Sederburg. The bands accomplishments include Fifth Place and Best Field Commanders at the Roger Bacon Marching Band Festival, a Superior Rating, Fifth Place, Best Field Commanders, and Most Outstanding Color Guard at the Lexington, Ohio Marching Band Festival. The band received a Superior Rating at the Middle Tennessee Band Festival in Murfreesboro, Tennessee, and Third Place in the Southern Indiana Marching Band Festival. During Concert Season the band received a Superior Rating in the State Concert Contest for the second consecutive year. The band also received an Excellent Rating in the sight-reading portion of the contest. The Jazz Band, directed by Mr. Fisk, attended a Jazz Contest in Ohio. Five members of the band accompanied the Cincinnati Symphony Orchestra in a concert. Seventeen students attended a Band Clinic at Morehead State University. Band members received 30 Superior Ratings, 30 Excellent Ratings, and 11 Good Ratings in the Northern Kentucky Solo and Ensemble Contest. 28 students participated in the Northern Kentucky Junior and Senior High Select Bands. One student, John Tabeling, participated in the Kentucky All-State Band. The Purple, or Freshman Band, led by Field Commander Jennifer Hamby, marched at several football games, and played at home basketball games. The year was highlighted with the Annual Awards Banquet held at the Beverly Hills Supper Club.

# FBLA

FBLA is an organization for students taking business classes. It is a challenge for students to excel in their business studies. Students in FBLA have the opportunity to demonstrate their abilities through many contests related to class work.

This year's FBLA members placed high in regional and state competition, and the club received 3 national awards. In the region John Kremer was 1st in accounting; Jane Reinert won spelling; Diane Schalk was 9th in spelling; Linda Martin received 3rd in senior stenographer; Bev Schultz was 2nd in data processing; the clubs original project got a 1st; the club received a 1st for region; and the club received a 3rd place for its exhibit.

On the state level John Kremer was 3rd in accounting; Linda Martin took 2nd in senior stenographer; the club received a 1st in new chapters activated.

Nationally the club received a gold seal, which means that the CCHS club is one of the top 10% of the country. Our chapter also received a first place for chapter installation in the Southern Region and earned an award for its bicentennial project. During the year many members were active in sales projects, school assistance programs, career day at Frischs, panning for gold, attending the Southern Region Leadership Conference and many other activities.

## *Editor's Note*

In closing the 1976 CARAVAN, I wish to thank the following:

Mr. and Mrs. Arnd Rehfuss for their many hours of guidance and organization. Without their patience and talent the '76 yearbook could not be a success.

The section editors and CARAVAN staff for their work in making the yearbook a reality; their help was invaluable.

The offices of our principal and assistant principals for making many of our jobs easier.

Osborne Laboratories for the many beautiful pictures used throughout our book.

South-Western Publishing Company for permission to use the covers from their publication "Balance Sheet" for the cover and division pages.

Mrs. Edith Bedford and Future Business Leaders of America for the pictures of Alexandria's past.

The Photo Club, especially Clark Kyle and Robin Hahn, for the many pictures they photographed to give the yearbook a better coverage of the 1975-76 school year.

Mr. Harry Rivard and Taylor Publishing Company for suggestions and advice concerning the printing of our book.

And finally, to you, the students of Campbell County High School, for supporting your yearbook staff through the purchase of this book. I sincerely hope that in years to come the 1976 CARAVAN will give you happiness through the memories this yearbook can bring.

Mike Turner, Editor
